### 📁 PROJECTS

**Weblify.ai**, *AI-Powered Web Development at Your Fingertips* ✍

**Weblify** is a cutting-edge platform that **leverages AI** and **WebContainers technology** to revolutionize how developers create **full-stack applications**. With Weblify, you can **build, run, and deploy** even the most **complex applications** directly within your **browser**, eliminating the hassle of traditional development environments. It's fast, efficient, and designed to streamline your entire development process—empowering you to focus on what really matters: **creating**.

### 📖 COURSES

**Complete Data Science,Machine Learning,DL,NLP Bootcamp**

Jul 2024 – present

Acquired comprehensive skills required to work on **Data Science** and **Machine Learning** projects, focusing on in-depth knowledge of **Machine Learning**, **Natural Language Processing (NLP)**, and **Deep Learning**. Currently enhancing understanding of core concepts in **Deep Learning**, particularly in the context of **NLP**, including **Recurrent Neural Networks (RNNs)**, **Artificial Neural Networks (ANNs)**, and advanced architectures like **Encoder-Decoder models**.

### 🎓 EDUCATION

**M.Sc. in Information Technology**, *SIES College, SION (E)* ✍

Jul 2021 – Apr 2023 | Mumbai, India

- Postgraduated with: **9.73** CGPA

**B.Sc. in Information Technology**, *SIES College, SION (E)* ✍

Aug 2017 – Oct 2020 | Mumbai, India
